## Investing in Our Future: Next Generation Leader Scholarship

### Students

Please complete the attached application and return to Leadercast Knoxville by April 24. Details follow.

### Nominations

Please submit the name(s) of any rising student leader in high school who would benefit from a powerful day of leadership training and development.

### Mentor Sponsorships

Your investment of \$150 provides for 2 student leaders to attend Leadercast Knoxville 2020. In appreciation for being a Mentor Sponsor, we also would like to extend the opportunity for you to attend the event at a discounted rate. Please contact us for details.

The Next Generation Leader Scholarship is designed for rising young leaders to have an opportunity to be immersed in the messages of some of the world's top leaders at Leadercast 2020 and have an opportunity to connect with some of the most influential and successful leaders in Knoxville.

This year, student leaders will be invited to apply for an event scholarship that will allow them to join us for the full day of Leadercast with the only expense being their time.

If you have been a part of Leadercast, the annual one-day leadership event we have delivered in Knoxville for the past 9 years, you will easily see the impact this day would have on our next generation of leaders. Wouldn't you have appreciated the opportunity to be invited to one of these events when you were just beginning to catch hold of who you are and what potential you have?

We are inviting several individuals and organizations such as area businesses, schools, universities, churches, and other community organizations to nominate candidates and contribute to these scholarships.

You can be a part of developing tomorrow's leaders by investing in a Mentor Sponsorship for \$150, which will allow 2 student leaders to be a part of this powerful day of leadership development.

With your \$150 sponsorship gift, two deserving local high school students will be awarded Next Generation Leader Scholarships, which include free admission to the event, breakfast, lunch, 2020 Conference Journal, souvenir t-shirt, and follow-up leadership opportunities. On May 7, you and your team also will be identified as a Mentor Sponsor at the event and have the opportunity to meet the students and develop a mentoring relationship. Thank you in advance for serving our next generation. [Become a Mentor Sponsor](#)

When you purchase 10 or more tickets for your business or organization, The Legacy Centre will gift one scholarship ticket in your business' name to a deserving student leader as well. We also encourage you to nominate student(s) for this.

**Please email or call us as soon as possible to submit your application, sponsor and/or nominate a student(s) for this scholarship opportunity.**

Thanks for serving leaders,

Would you describe yourself as a disruptor or is this an area where you would like to grow as a leader?
